WHY GRADESPOT

Practical learning, honest guidance

What makes the experience different.

HOW IT WORKS

From enquiry to job-ready

01

Choose a Program

Talk to a counsellor and pick your track.

02

Learn by Doing

Live classes plus hands-on labs and projects.

03

Get Career-Ready

Resume reviews, mock interviews, soft skills.

04

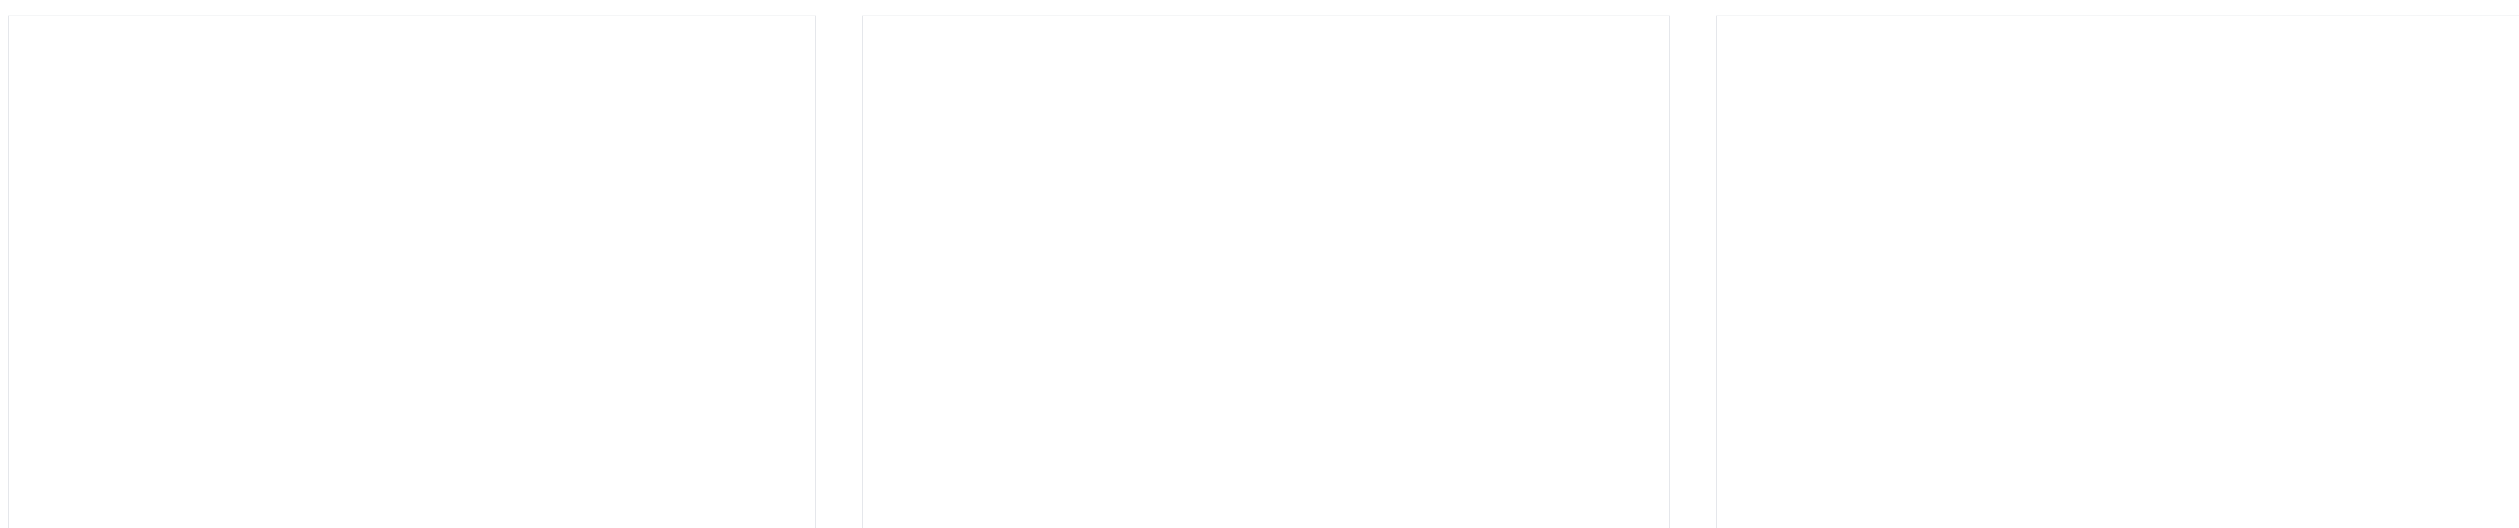

Launch Your Career

Apply with confidence and mentor support.

STUDENT STORIES

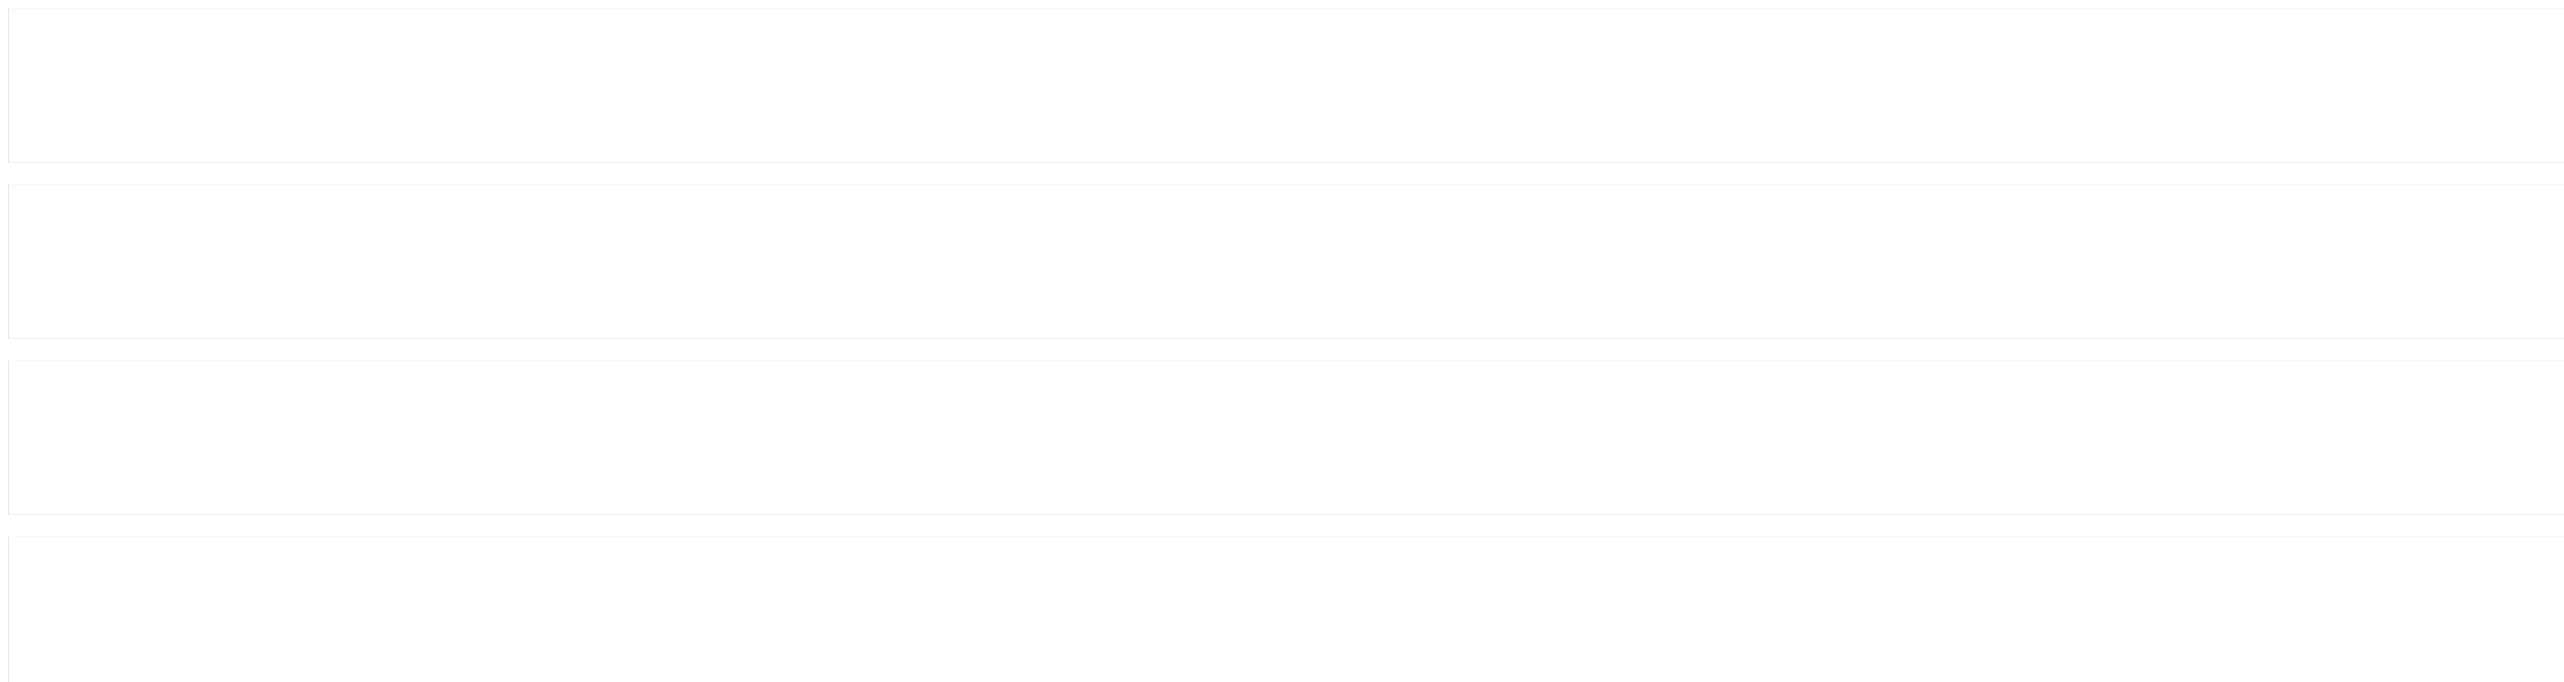

Hear it from our learners

Verified reviews appear here — placeholders only for now.

FAQ

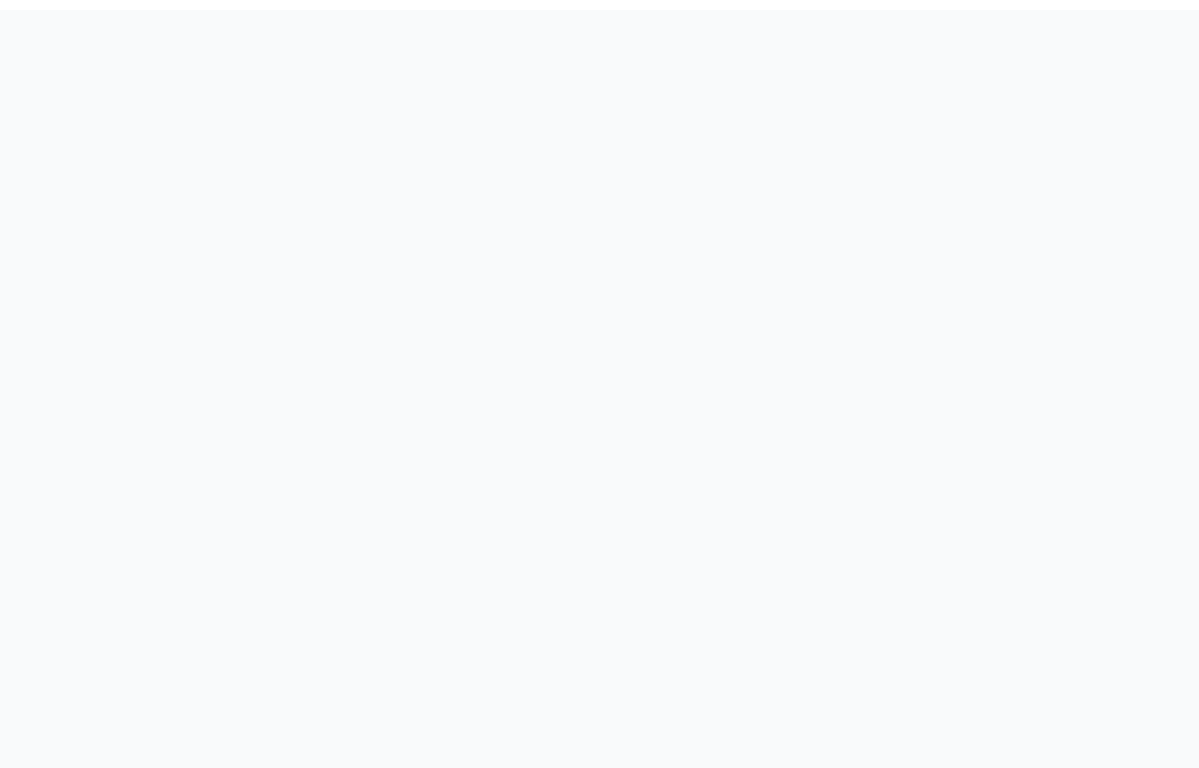

Common questions

OUR STORY

Practical skills for real careers

GradeSpot IT Solutions helps learners build job-ready skills through hands-on training, and helps businesses with web development, cybersecurity and digital services. [Company story to be confirmed — founding year, mission detail.]

SERVICES

What we do for clients

HOW IT WORKS

How engagements work

- 01

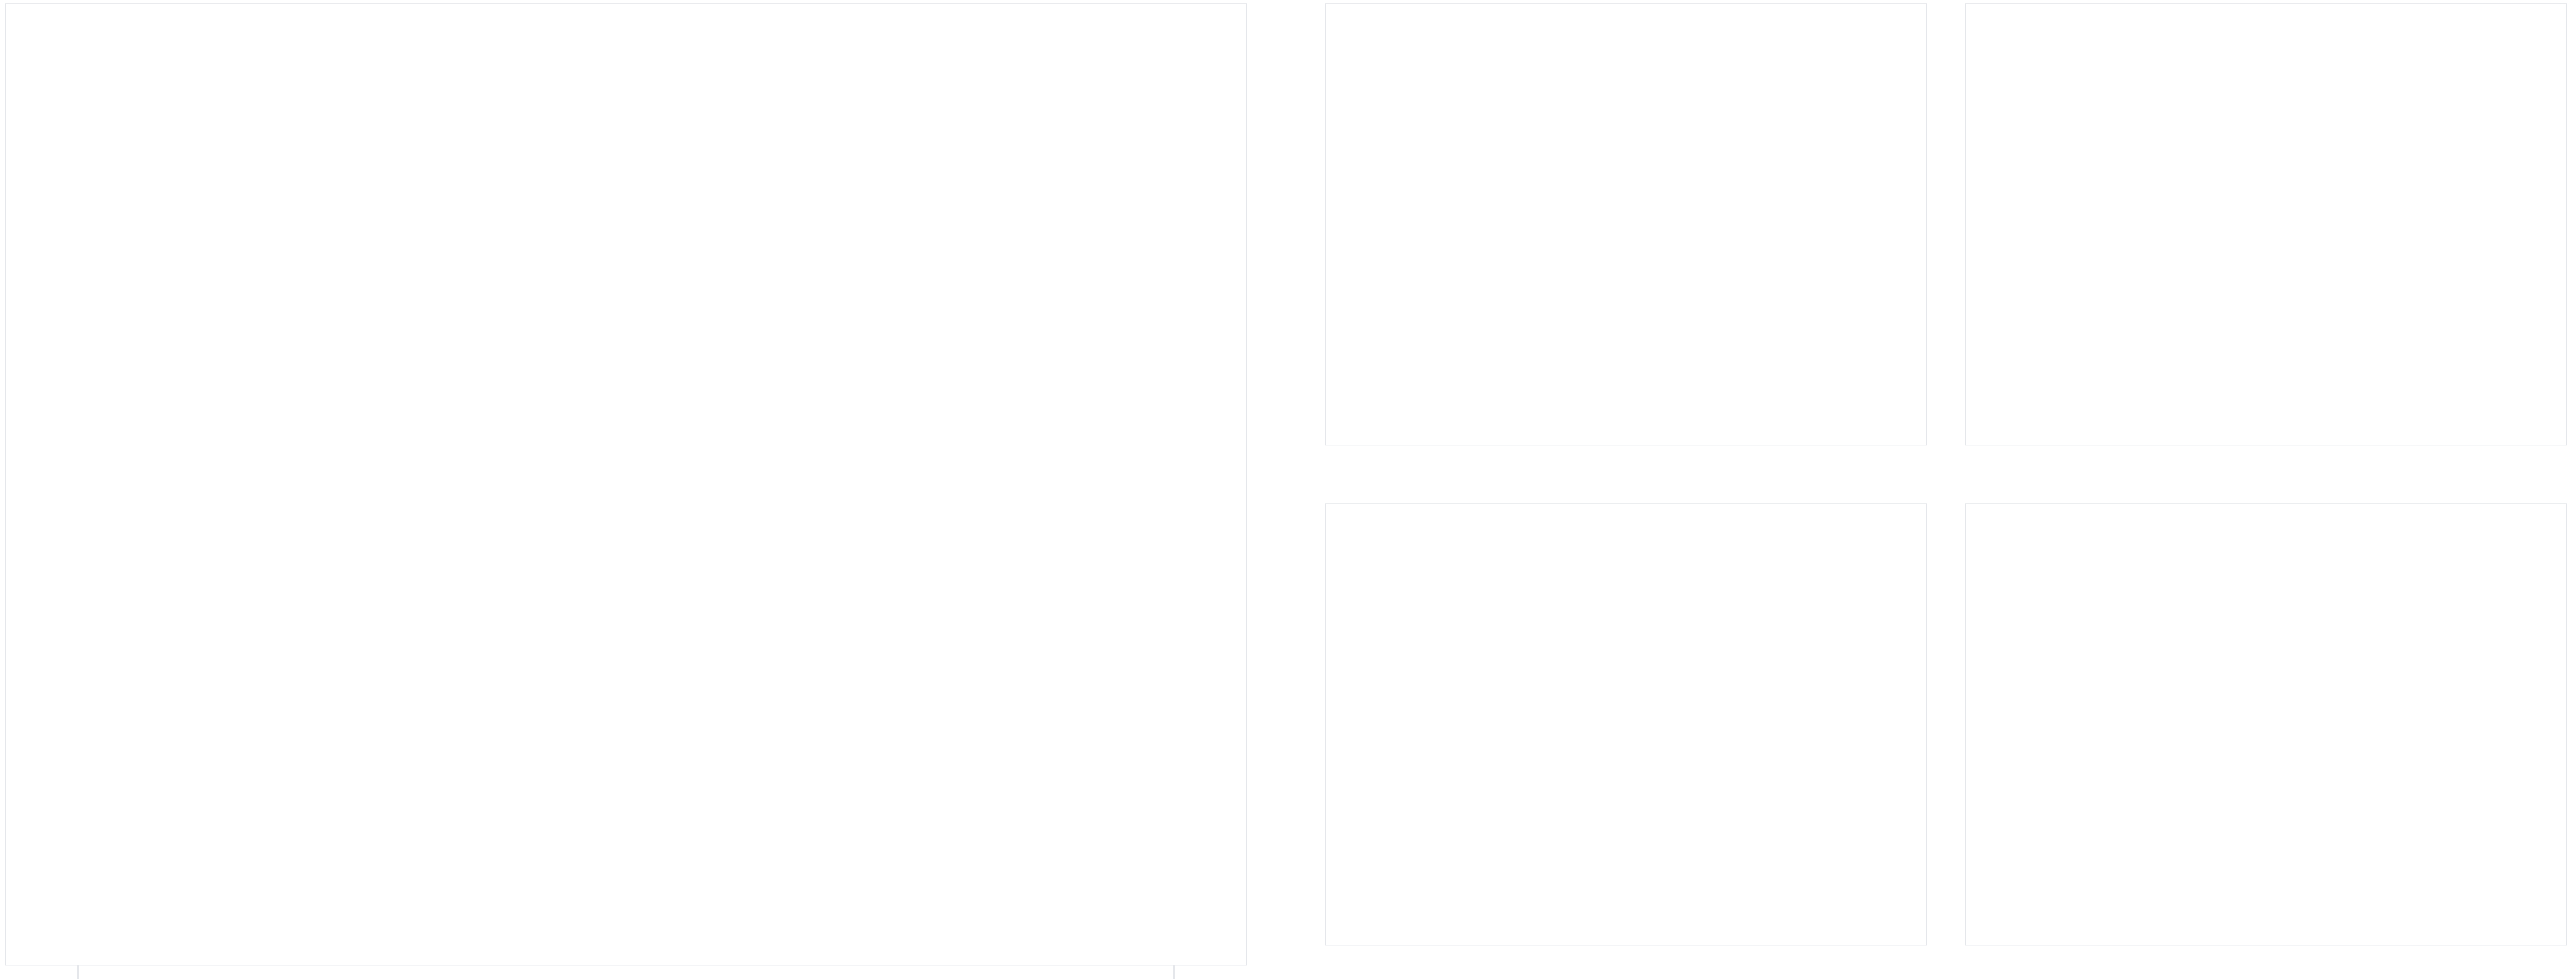

Choose a Service
Tell us what you need — site, security, marketing.
- 02

Request a Meeting
A short call to understand scope and goals.
- 03

Receive a Plan
A clear proposal with timeline and pricing.
- 04

We Deliver
Build, review, launch — with support after.

HOW IT WORKS

How enrolment works

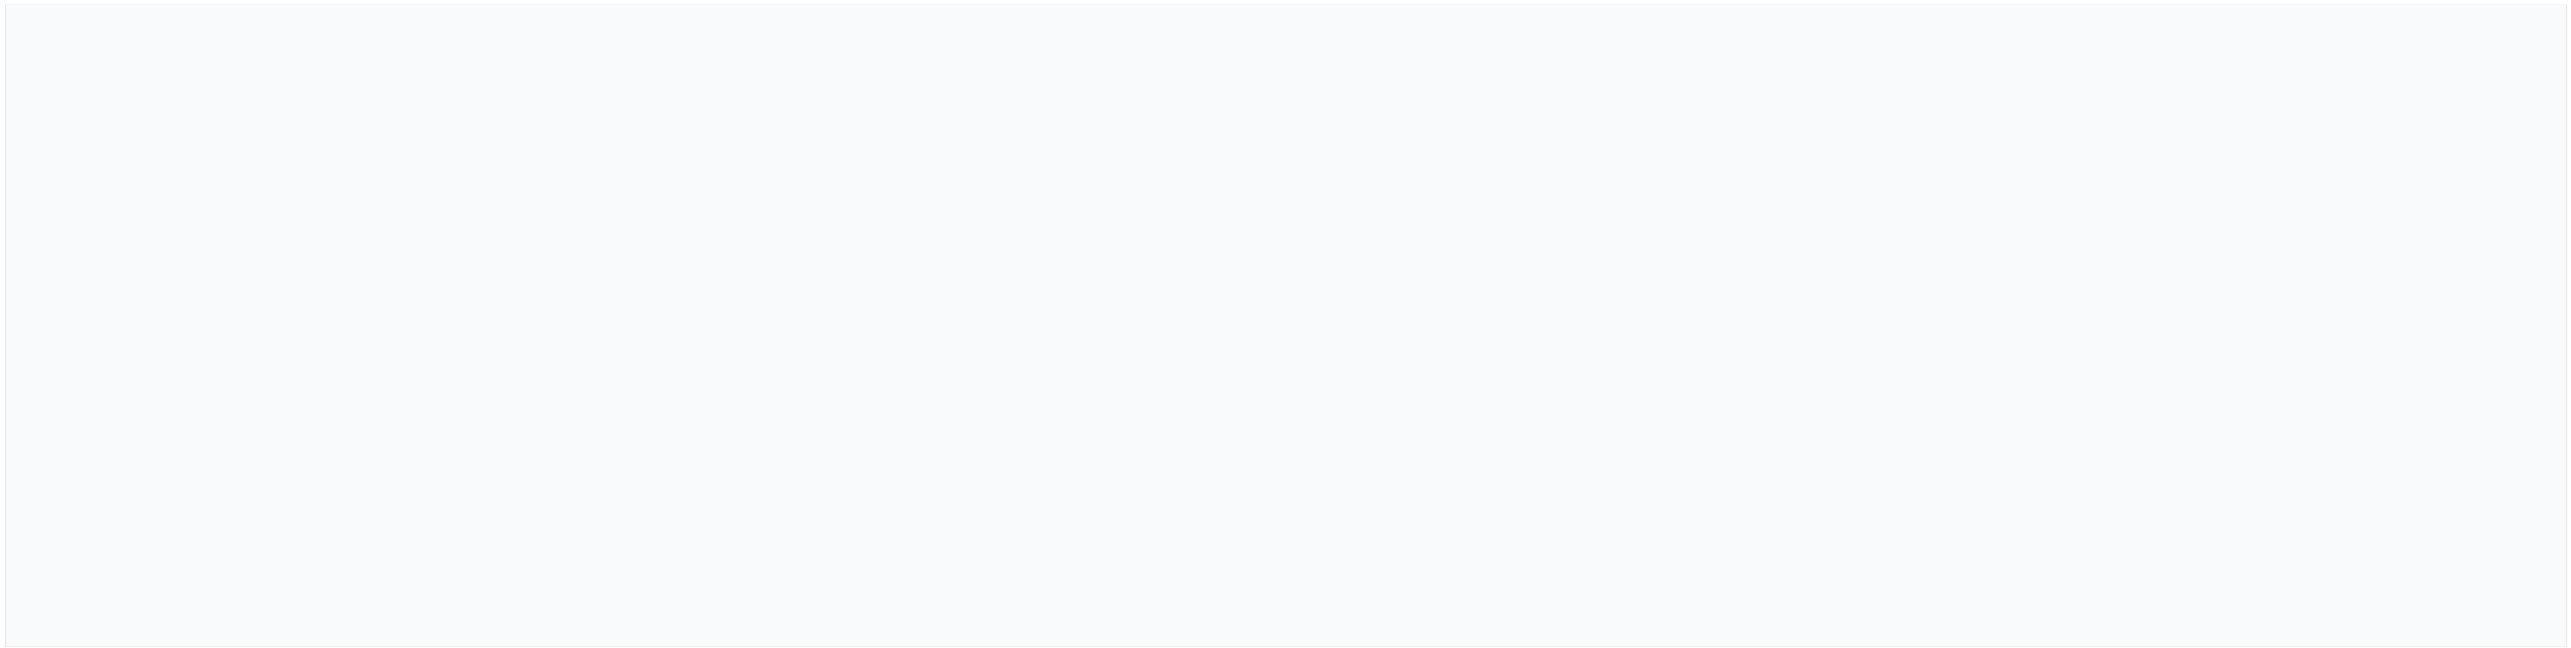

- 01

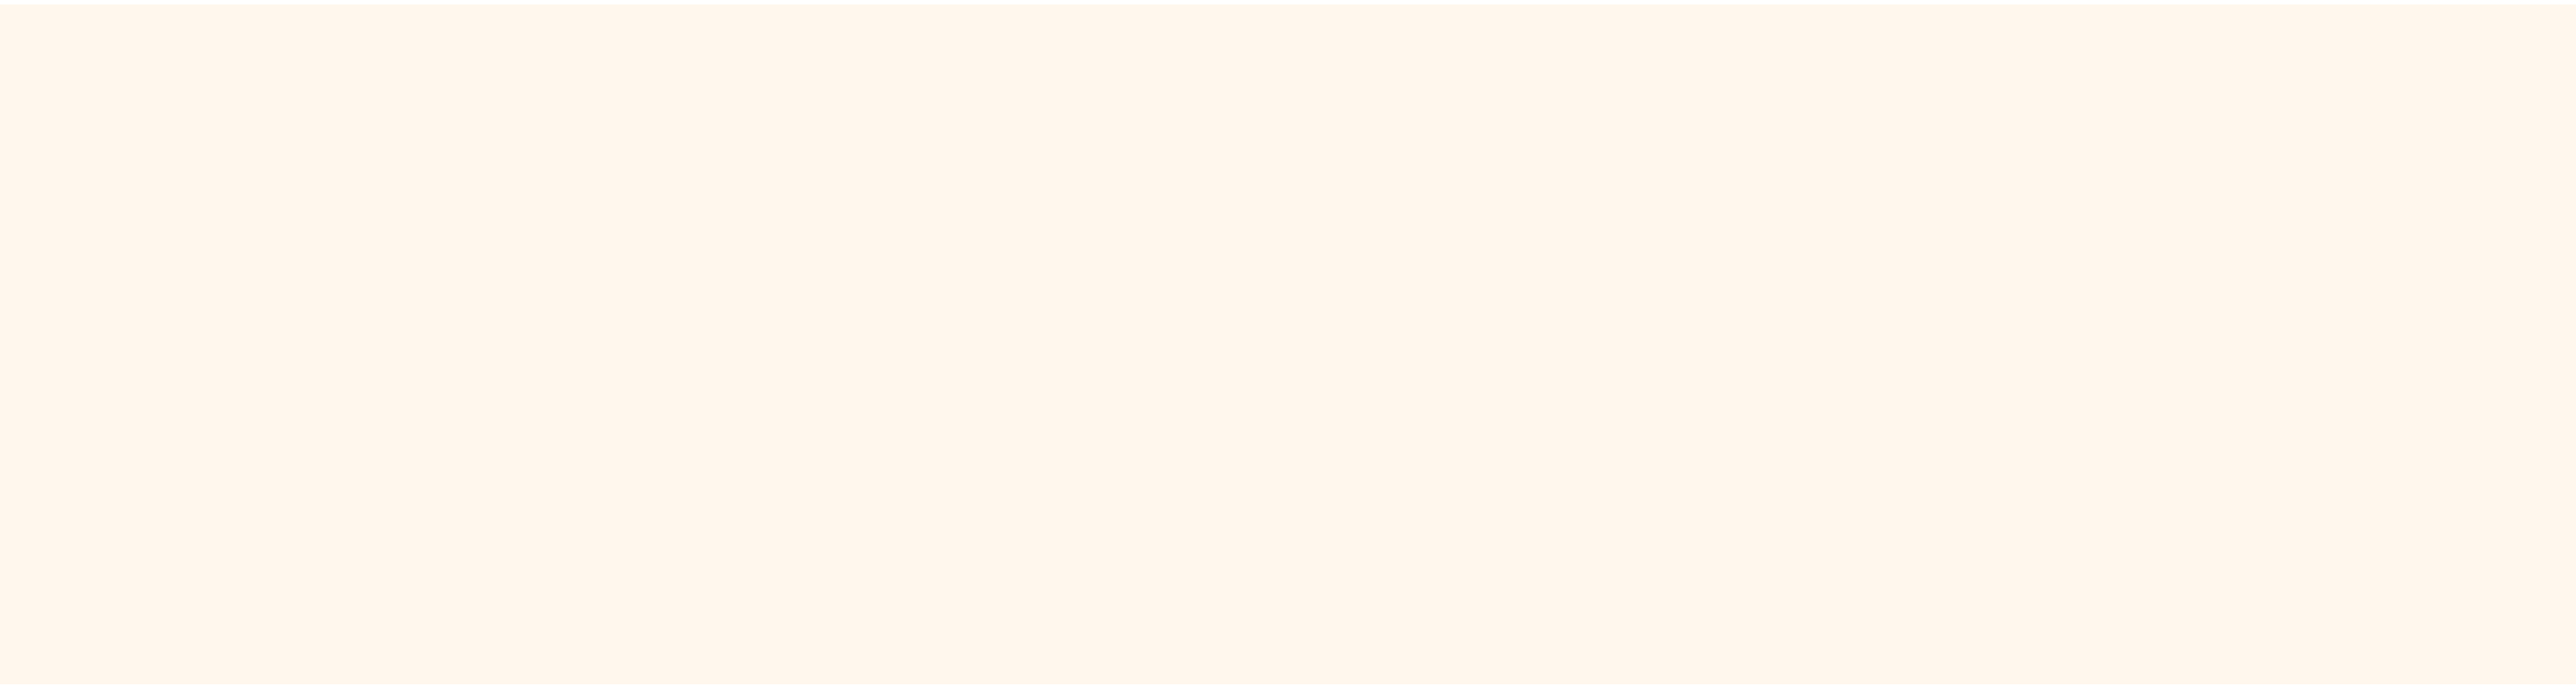

Submit Enquiry
Fill the form or ping us on WhatsApp.
- 02

Career Guidance
A counsellor helps you pick the right track.
- 03

Attend Free Demo
Experience a real class before you commit.
- 04

Start Learning
Join your batch and build your portfolio.

CULTURE

What we stand for
